Subject: Changes to NSW State Surf Boat Team Selection Criteria

The Coffs Harbour Boaties Bash event which was due to be held on the 23 – 24 November 2019 was cancelled due to the bushfire emergency and likelihood of hazardous air quality. As a result, this has impacted the State Team selection criteria.

The Surf Boat Commission has considered several options and has determined the following:

Team selection will be determined by a crews best two results from the remaining 3 selection carnivals; North Cronulla, Queenscliff and Manly. In the event of crews tying on points the selection panel will select the crew to join the NSW State Team. In doing so they will take into account the results from the 3rd selection carnival as well as other results.

Please contact [Phil Ayres](#) (SLSNSW Chief Operating Officer) should you have any questions regarding the revised process.
