Welcome messages

On behalf of the Board of Surf Life Saving NSW, I would like to welcome you to the 2022 NSW Surf Life Saving Championships, proudly supported by Your local club.

This is always a very special time of year, and while it feels like a bit of déjà vu, we are incredibly excited to be able to present the pinnacle of our Surf Sports calendar after the challenges presented over the past 12 months due to COVID-19.

We are very lucky to be calling three beautiful locations on Sydney's Northern beaches home over the coming 12 days of competition – Freshwater SLSC, Queenscliff SLSC and North Steyne SLSC.

This is the first of a multi-year agreement to bring the NSW Championships to metropolitan Sydney after five years in Lake Macquarie. We thank the clubs, Northern Beaches Council, and our fantastic sponsors for making this possible and look forward to an exciting few weeks.

Over 21,000 competitors, spectators and volunteer officials will descend on the Northern beaches over the next three weeks, and it will be fantastic to see our best surf sports athletes, from the young to the young at heart, fiercely contest the full range of events, from swim, ski, board and ironperson racing, through to beach sprints, flags, relays and surfboats.

Of course, a great thanks goes out to our volunteers. They are a crucial factor in the smooth running of our surf sports events and we thank all those involved.

Finally, Surf Life Saving NSW acknowledges that the NSW Championships will this year be held on Guringai Country, home of the Garigal or Caregal people - the traditional, Indigenous custodians of the land. We pay our respects to elders' past, present and emerging.

George Shales OAM
SLSNSW President

Queenscliff SLSC is pleased and excited to host the 2022 NSW Surf Life Saving Championships. It's a first for our club and we would like to extend a warm welcome to all competitors, officials and supporters. It's a great opportunity to showcase the competitive spirit of Surf Life Saving to the many visitors to the Manly area after more than a decade away from metropolitan Sydney.

One of the wonderful aspects of the championships is watching competitors of all ages and abilities striving to do their best to achieve their goals and to represent their clubs. I enjoy watching the young nippers, the open competitors and then the "not so old" masters all fiercely competing with a spirit of camaraderie and all demonstrating amazing surf lifesaving skills.

Our aim is for everyone to have an enjoyable experience where you make new friends, rekindle your friendship with mates from other clubs and leave with positive memories.

Hosting an event like this is a huge task. As President, I am immensely proud and grateful for the willingness and dedication of the members to volunteer their time. I also wish to thank the support of the wider community, Surf Life Saving NSW, Northern Beaches Council, Your local club, our club sponsors and the rest of our event partners and suppliers.

To all competitors, coaches, officials and supporters I wish you all the best of luck and I hope you enjoy what promises to be a sensational 12 days of competition.

Garry Fox
Queenscliff SLSC President

It gives me great pleasure on behalf of all the members and supporters at the Freshwater Surf Life Saving Club, to wish you a warm welcome to all visitors, officials, competitors and our volunteers to the 2022 NSW Surf Life Saving Championships.

The Freshwater Club is proud to be assisting the host club Queenscliff, and to together with North Steyne Surf Life Saving club, pleased that we are playing a role to stage these important Championships.

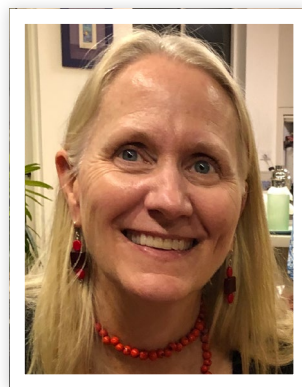

Firstly I want to thank the many Freshwater members who have volunteered their time to assist our Event Manager Richard Hawtin make the NSW Life Saving, First Aid and R&R events happen at Freshwater.

Thank you also to the many sponsors that have contributed to this years Championships and to the Freshwater sponsors, Supa IGA, Bendigo Bank, Harbord Hotel, Harbord Diggers and Healthy Care for your ongoing support.

The Sydney Northern Beaches looks forward to showcasing the Northern Peninsula for all visitors to the area and the three host clubs are indeed grateful to Mr Ray Brownlee and his team at Northern Beaches Council for their unwavering support to host these Championships.

Finally I would also like to wish all competitors every success throughout these Championships and have some fun.

Michael Bate
Freshwater SLSC President

On behalf of all our members, I would like to welcome you to North Steyne Beach for the 2022 NSW Surf Life Saving Championships! It is very exciting for us to host the many competitors, officials, family and friends from around NSW who love the sand and surf as much as we do.

North Steyne SLSC is one of the oldest surf lifesaving clubs in Australia. For 115 years, we have been keeping visitors to our beach safe and we are very proud that there have been no lives lost whilst on patrol. We are certainly part of a wonderful community, and it is terrific that we have an opportunity to host these championships and welcome so many to North Steyne.

I would like to thank all our members who are putting in extra time to ensure that the 2022 championships will be the best ones yet. It is an enormous effort to stage such an important and

high-quality competition, and I would also like to acknowledge all the work of Surf Life Saving NSW, fellow hosts Queenscliff SLSC and Freshwater SLSC, the Sydney Northern Beaches Council and the support of Surf Life Saving Sydney Northern Beaches Branch.

Of course, the competition would not be possible without the terrific sponsors and I would like to thank them for supporting not only a great competition, but such an important community service.

I hope you enjoy what Manly has to offer and take time out to explore the local area as well as sample the delicious food. Come try our famous Bombora and stop by our Club to say hello.

Best of luck to all the competitors who have travelled from near and far. Do your best, cheer on your team, and most of all have fun!

Welcome messages continued

A very warm welcome to Sydney's Northern Beaches! We are thrilled to host the 2022 Surf Life Saving Championships on North Steyne, Queenscliff and Freshwater beaches.

We greatly value the incredible contribution of surf club members here on the 'Beaches and the strong life-saving culture that runs all the way from Manly to North Palm Beach.

We know our clubs offer more than just essential life-saving services. They provide a great sense of community, camaraderie and support. The mentorship, inspiration and skill they provide, particularly to our young people, cannot be underestimated and extend far beyond the clubs themselves.

A special shout out to the North Steyne, Queensie and Freshie clubs for all the work they are putting into hosting this high-profile competition at home.

Can I encourage all of you in town for this event to make

the most of everything our extraordinary area has to offer and pack in as much as you can!

No doubt you'll spend a lot of your time on our beaches during competitions. If you're looking for a quiet swim away from the action, then head to one of our ocean pools or quieter harbour beaches.

Beyond our gorgeous beaches, you'll find a thriving café and restaurant culture and plenty of boutique shopping. Check out Brookvale if you want to discover our breweries and distillery scene, with lots of non-alcoholic options too!

There is also plenty to keep you busy if you have any downtime with local businesses offering a range of options – from bike and kayak hire or SUP tours to indoor rock climbing or trampolining.

We've got many bush tracks, mountain bike tracks, and shared paths to keep you active and entertained. Kids love our playgrounds; many

are inclusive and accessible – even at the beachfront, such as Collaroy, so nobody misses out!

Then there is the incredible nature we are lucky to have here on our doorstep. You're likely to see a colourful groper if you snorkel in Cabbage Tree Bay, or be lucky to catch sight of an echidna or bandicoot while enjoying the views of the city up at North Head.

And, if you're looking for a bit of culture, visit our Manly Art Gallery & Museum or catch a show at the Glen Street Theatre. As we've got some world-class artists and musicians who call the Beaches home, you won't have to travel far to find a live gig or exhibition.

Check out hellomanly.com.au and northernbeaches.nsw.gov.au for plenty more great options.

And best of luck to all the competitors!

Northern Beaches Mayor

Our state's volunteer surf life savers work tirelessly to keep our beaches safe each summer — and now it's time for us to cheer them on at the NSW Surf Life Saving Championships on the beautiful Northern Beaches of Sydney.

ClubsNSW is incredibly proud to sponsor this special event under the Your Local Club banner and we wish everyone involved the best of luck!

Long service recognised with Life Membership

A quartet of the state's most dedicated, passionate volunteers have had their years of service recognised with one of Surf Life Saving NSW's highest honours – Life Membership of the organisation.

Ian 'Spook' Everingham of South West Rocks SLSC, Jimmy McGrath of Pambula SLSC, Mick Lang of Tacking Point SLSC and Larry Jennett OAM of Wollongong City SLSC bring just under a collective two centuries of commitment to the Surf Life Saving movement, and are worthy recipients of Life Membership.

Surf Life Saving NSW President, George Shales OAM said that the four men personified everything that the organisation stands for.

"As the state's peak water safety and rescue organisation, our mission has been, and always will be, to save lives, create great Australians and build better communities – these four gentlemen are key pillars in delivering on this goal," he said.

"Ian, Jimmy, Mick and Larry are all outstanding members who go above and beyond

within their clubs and we hope that in awarding them with Life Membership of Surf Life Saving NSW, we go some way to repaying their tremendous efforts."

Beginning as a Nipper in 1963 at Taree-Old Bar SLSC, Ian has held many committee positions throughout his decades in SLS including Vice President, IRB Captain, Club Captain, Boat Captain and Gear Steward. Under his leadership the club's

board riding team become one of the state's best in the early 80s, and he has been committed to innovation in the educational space.

With South West Rocks SLSC, which he joined in 2002, he has earned numerous accolades for his service to lifesaving.

Jimmy McGrath is one of those people who will do anything for anyone. He has been a regular volunteer and contributor to Pambula SLSC since he joined and earned his Bronze Medallion in 1964 and has served many

committee positions within the club and the Far South Coast Branch, which thrives as a result of his dedication.

Mick, meanwhile, has been an unwavering contributor to Surf Life Saving for more than two decades, acting as an Official at Branch, Country, State and National Championships events while also building a resume as a successful coach – so much so he was awarded Coach of the Year at the 2021 Surf Life Saving NSW Awards of Excellence.

He has been instrumental in building the profile of the Mid North Coast Branch.

That same description can be given to Larry, serving his club and the Illawarra Branch with distinction and in a conspicuous manner for nearly 60 years.

He has served Wollongong City SLSC in every capacity, including administration, lifesaving, education and competition, and earned the Medal of the Order of Australia in 2007 for his service to lifesaving.

"We are very proud of our entire membership base for their efforts in growing the Surf Life Saving movement," George Shales added.

OFFICIALS TO 'CURL OVER BACKWARDS' for successful Champs

There's something about being an official – a crucial cog in successfully running any event – that makes Carlo Villanti tick.

The long-time Cronulla SLSC member began as a boardrider before transitioning into Surf Life Saving when his daughter was in Nippers.

"I nearly had a heart attack when she told me," he mused.

Like any father, Carlo just wanted his daughter to be safe and to enjoy herself, investing himself further in the club, initially as an Age Manager.

"You just want to make sure everything runs smoothly for them so you do what you can to help," he said.

"My daughter had a really good group which helped."

Now, his focus is on the bigger picture – helping not just his daughter, but the entire competitor pool, big or small, to enjoy themselves when competing in surf sports events.

It's a focus built from years of experience and finessing his craft and has developed over time to be flexible depending on which age group he is officiating.

"It's important to remember who you're dealing with really," Carlo said.

"You've got to be smart, the Under 9s and 10s are all young and you've got to be assisting them and marshalling them in the right way.

"They're nervous, you've just got to treat them like kids.

"If they don't do it exactly right, go back and try again with them."

Carlo's approach will be called on once again at the 2022 NSW Surf Life Saving Championships, where over the 12 days of competition he will act alongside Michael Day as the Deputy Referees to Michael Bate in the Age and Youth Championships.

Joining Peter Carney, he will also be Deputy Referee to Jenny Kenny in the Open Championships.

As volunteers, all of them will be working hard to ensure the Championships run smoothly – as they have done through their involvement in Surf Life Saving over many years.

"All the clubs are the same, there's a Carlo at North Cronulla, there's a Carlo at Manly – that's the special thing about surf, everyone including myself wants the best for the kids and all the competitors.

"We all do our best to ensure everything goes well.

"Even with the newer officials, we will be as helpful as we can in guiding them, not make it hard, and not knock them on the head as they're learning."

Ultimately, though, Carlo is confident that the ingredients are there to make the 2022 NSW Championships one of the greatest ever.

"I think it's a great location, a lot of thought has gone into it this year," he said.

"Council is with us which is good and utilising Freshwater as well is a great move.

"The most important thing to me is running this carnival successfully and enjoying ourselves.

"I'll curl myself over backwards to make sure it goes right."

WAVE OF SUCCESS

from the Far South

When the gun goes, Broulee Surfers SLSC won't be at State to make up the numbers, Masters athlete Darren Drewsen says – they'll be here to show the elite of surf sports what they're made of.

The Far South Coast club may not be mighty in number, but they will be in spirit after a strong showing at the recent Oakberry Acai NSW Country Championships at Cape Hawke SLSC.

A squad of 12 competitors ranging from U8s to Masters athletes made the long trip north and brought back 13 medals – a haul Darren himself contributed

strongly to, claiming three gold medals and a silver across the weekend including gold in the Open Beach Flags.

It's a busy time of year for young and seasoned competitors alike – Country, then State, then Aussies over a series of months brings about a stern test of willpower, fitness and determination for success.

The overwhelming feeling for Darren, however, is one of relief that things are finally getting back to some level of normality.

"It's been really good to get back into a regular routine after the whole COVID situation," he said.

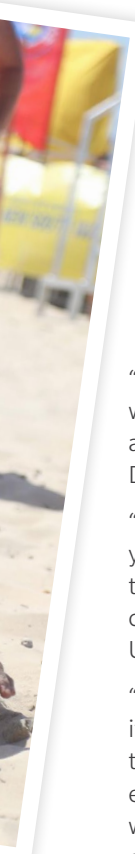

"That was one of the highlights of Country

Champs, it felt so normal – the running around, training, competing and having fun.

"It's a relief to be able to get back to normality and the fun of surf carnivals. Always good to have a few wins as well when you're getting the grey hairs come through," he added, with a laugh.

After five years based in Lake Macquarie, the NSW Surf Life Saving Championships' return to metropolitan Sydney is set to see a huge contingent of the state's elite athletes challenge each other across an extended 12-day schedule – a challenge Darren says the Broulee Surfers contingent intend to take head on.

“We’re bringing a few more with us to State, spread out across the three categories,” Darren continued.

“We’ve got some very quick youngsters coming up, two in particular that didn’t compete at Country in the Under 9s.

“You never know how it will go with the kids though, we will have no big expectations, but we know we’ve got some strong competitors.

“We don’t lack the talent, just the opportunities to put it all together. Hopefully this event provides that platform.”

Unlike at Country, where he remarkably competed across Masters and Opens and claimed Beach Flags gold in both categories, Darren says his focus will be exclusively on Masters events on the Northern Beaches.

He has done his chances no harm with his preparations – the experienced athlete knows what works for him and has been making sure he will be in peak shape to compete.

“We haven’t been doing too much specific stuff, I might do one or two sessions a week specific to the beach events but you’ve got to be smart about it and do the things that are easy on the knees and ankles,” he said.

“Our training has been pretty intense; we have been heading to Canberra once a week for sprint training.

“There’s a good running track out there, we see a coach. He was coming out to us once a week, and then we would go out to him once a week.”

We’ll find out soon if the extra effort has paid off.

“That was one of the highlights of Country, it felt so normal – the running around, training competing and having fun. It’s a relief to be able to get back to normality and the fun of surf carnivals.”

Host clubs HOPE FOR VICTORY

When Queenscliff SLSC surf boat sweep, Damien Daley, heads to sea with his first open mens crew at the NSW Surf Life Saving Championships, he will do so on a familiar break that poses a unique advantage he believes.

The schoolteacher, coming from an exercise and science background, acknowledges that, as in any sport, regimented practice and applying yourself wholly are defining factors in ultimate success, but the benefits of competing at 'home' also cannot be understated – not least when considering the reach and magnitude of the Championships.

"Being able to compete on your home beach is special," he said of Queenscliff being a host club.

"It's something I've dreamt about, I would've loved to have competed here

when I was in board and ski, gaining a medal on your home beach at State would've been great.

Speaking about his crew: "The headspace is right with these guys, so being familiar with the environment will help. Even the simple things of going up to your own surf club between races, being somewhere comfortable each night logistically. It's one less thing to worry about.

"I really believe that racing on your home break gives you an advantage."

A member of Queenscliff SLSC for nearly 40 years, Damien has done it all – in fact, had it not been for his fair hair, he jokes he may have had even longer to make his mark, had his mother not kept him from becoming a Nipper until U11s.

A ski paddler of great merit, he won multiple junior and senior titles throughout his career, before sickness brought his competing days to an end.

The son of a renowned sweep, Damien decided to give it a go and has mainly coached junior and reserve grade crews.

"This will be my fourth season in boats – I'm loving it, it keeps you involved in team sports and I thrive in that environment," he said.

"You're only ever as strong as your weakest person so we work hard on building everyone together in that group dynamic. It's a big factor for us.

"I've had reserve crews before, and we've got our junior crew again, but this is my first time with an open crew.

"You're dealing with adults, people working

all the time, high pressure jobs, all professionals, and they're all still so dedicated – I have high hopes."

With the NSW Surf Life Saving Championships moving to metropolitan Sydney after five years in Lake Macquarie, the anticipation is palpable for local Northern Beaches boat crews.

The stage is set for an exciting few weeks, which Damien admits has taken plenty of effort to bring together from the perspective of the club's volunteers, but all the hard work is sure to bear fruit in the end.

"I'm involved at both levels, behind the scenes and in competition, but I would say that as a club and as competitors, there is a lot of excitement," he said.

"We're really keen and looking forward to it."

BUCKETS OF TALENT ON SHOW

in Youth Champs

Fresh from a white-hot performance on the sand and in the surf at the Oakberry Acai NSW Country Championships, Cudgen Headland athlete Isabella Tate is looking forward to mixing it with the best of the best when she makes the big trip south to Queenscliff this year.

Isabella is a star on the rise and if her most recent performances are anything

to go by, you can expect her to shine brightly over the coming weeks.

Her performance at Cape Hawke was electric, taking gold in the U14 2km Beach Run, Surf Race, Board Race and Ironperson events as well as bronze in the Beach Sprint and Flags.

You'd have been excused for thinking Cape Hawke was her home beach, such was

the dominance she showed, coming with an air of elegance and complete control.

A few hours further south still and she'll hope to do it all again, this time with the backdrop of Sydney's iconic Northern beaches.

"I'm really excited for the State Championships this year," Isabella said.

"It's a great chance to test myself and see how I go against some of the best athletes."

Isabella's talents extend across all aspects of surf sports, but by her own admission, it's the ocean she loves the most.

"I love the water events, ski and board, but Iron incorporates all of that so it's probably my favourite," she said.

Aside from enjoying the chance to make new friends, share in the camaraderie of surf sports and spend time at the beach, Isabella relishes events like this because they offer her the opportunity to test her limits and see what it takes to beat the best.

She's excited to compete and get a gauge of the level she must be at to win, but with wisdom beyond her years, she also says there's much more to it than that.

"Trust the process not the outcome," she said.

"For me it's just about knowing in myself that I did my best and put all the effort in."
