## 2. Introduction

These Guidelines set out the funding requirements for Sport Australia's Regional Sport Events Fund. The Australian Sports Commission (ASC), referred to in these Guidelines as 'Sport Australia', is responsible for administering the Fund.

A glossary of key terms used in these Guidelines is attached at [Appendix A](#).

Further information is available at [www.sportaus.gov.au/grants\\_and\\_funding/regional-sport-events-fund](http://www.sportaus.gov.au/grants_and_funding/regional-sport-events-fund) to help you determine if your event is eligible, and to prepare your application. All necessary consultations, planning and approvals should be completed prior to submitting an application for funding under the Fund.

## 3. About the Regional Sport Events Fund

Sport Australia's Regional Sport Events Fund (the Fund) will invest \$1.9 million to support Local Government (Councils) in regional and remote Australia to host sporting events. Events can range from 'come and try days' to larger events including elite sporting exhibitions and state level competitions that encourage greater visitation to regional Australia, engage communities and reinvigorate local economies.

As regional Australia recovers from the impacts of COVID-19, sporting events will play an increasingly important role in reconnecting and revitalising communities right across the country.

The funding will be available to over 400 eligible Local Government Area (LGA) Councils in Very Remote, Remote, Outer Regional and Inner Regional areas to partner with their local clubs/associations and sporting event organisers to host a wide range of sporting events in their communities.

## 4. Fund objectives

The objective of the Fund is to support LGA Councils in identified regional and remote locations to host sporting events that will:

- encourage greater visitation to regional and remote Australia
- reinvigorate local economies; and
- provide opportunities for community members to reconnect and celebrate through sport.

## 5. Funding streams and key dates
