Title: The Australian Surf Life Saving Championships 2023 – Gear and Equipment Subsidy
Document ID: 30/22-23
Department: Sport
Audience: State/Territory Surf Sport Managers, Directors, Club Secretaries, Branches, State/Territory CEO's Sport Standing Committee
Summary: This circular outlines the Gear and Equipment Subsidy available to Surf Life Saving Clubs travelling to, and competing at The Australian Surf Life Saving Championships 2023.

As part of the Australian Surf Life Saving Championships 2023, SLSA will provide **limited** financial assistance to states, who will in turn assist clubs with the transport of their equipment to and from the Championships.

The subsidy must be provided to clubs, through respective state centres, to assist in transporting the following gear and equipment to The Australian Surf Life Saving Championships 2023:

- Surf skis
- Double surf skis
- Surf boats
- Surf reels
- Boards (racing boards, surfboards, long boards and rescue boards)

Clubs are to submit their number of transported gear and equipment to their State by Sunday 9th April 2023. Full process is outlined on the following pages.

CALCULATION OF THE SUBSIDY

Following the completion of The Australian Surf Life Saving Championships 2023, SLSA will provide to each Club a small subsidy based on the number of craft used, weight and length as a percentage of their State's allocation.

To assist in the process, clubs must submit their number of transported gear and equipment to each State by Sunday 9th April 2023.

QUESTIONS AND ANSWERS

Q: Will the subsidy cover the total cost of transporting gear and equipment to Scarborough?

A: No. The subsidy is intended to contribute towards to a small portion of the club's costs. It will not cover entire transport costs.

Q: How will craft numbers from my Club be determined?

A: It will be the number of gear and equipment transported to Scarborough by each club. This means if one board is being used by three different competitors, only one board has been transported so only one board will contribute to the amount received by the club.

Q: Do I have to calculate the subsidy allocation for my Club?

A: No. SLSA will collate via each state centre the number of gear and equipment transported to the Championships to work through the calculations nationally.

Q: Do I need to produce a tax invoice to receive my Clubs allocation?

A: Yes. Your state will distribute the amount once the allocations have been confirmed. Your club is to provide a tax invoice (which shows the club's ABN) for the amount (plus GST). Please provide bank details (BSB and Account Number) if EFT payment is possible.
