

SLSA ONLINE MANUALS ARE MOVING

The 35th edition of the Public Safety and Aquatic Rescue training manual (PSAR35) and the 37th Edition of the Surf Sports Manual were published digitally using the Publications app, which was only available on mobile devices. To improve accessibility for all our members, SLSA online manuals will now be available through a web browser rather than an app.

Advantages of the new system include:

- The PSAR35 manual is now free, as well as any new manuals, meaning members will have easy access to the latest information for training and skills maintenance.
- Manuals can be viewed on any device including desktop and laptop computers.
- The search functionality is greatly enhanced and can search across multiple manuals.

The new versions of the manuals are available now and the Publications App will stop working in early August 2023.

How do I access the manuals that were in the Publications App?

- Quick shortcuts for these manuals are available to save on your device or bookmark in your browser: <https://sls.com.au/psar35> and <https://sls.com.au/ssm>
- PDF versions for offline viewing can still be downloaded from the Members Area Document Library.
- Links to online training manuals can also be found in the new Training Resources section of the SLSA eLearning system.

The PSAR35 training manual and the Surf Sports Manual along with other SLSA manuals can be found at: <https://manuals.sls.com.au/>
