Introduction

SLSNSW is seeking Expressions of Interest from Clubs who may be interested in hosting a round of the 2025 NSW Sharkskin IRB Premiership Series and/or the 2025 NSW Sharkskin IRB State Championship.

The NSW IRB competition attracts around 350-450 competitors, 60+ officials and supporters during Autumn and Winter.

Background Information

The NSW Sharkskin IRB Premiership and NSW Sharkskin State Championship provide SLSNSW members the opportunity to compete against IRB teams from across the State.

The five competition disciplines include;

- IRB Rescue
- IRB Mass Rescue
- IRB Teams Rescue
- IRB Tube Rescue
- IRB Relay

The final competition divisions and event format to be confirmed.

Host Club Benefits

As the host venue, your club receives a range of benefits for hosting this event in your local region.

Club Culture

Hosting an IRB event provides your members with the opportunity to enhance comradery and pride in the club. Often host clubs use this opportunity draw on a wider pool of volunteers to engage in the club over the autumn and winter months and breathe life into the club facilities at a traditionally 'quiet' time of year.

Local and State Profile

As part of the IRB Competition Series, your club will be promoted to the wider network of clubs in anticipation of the event. Furthermore, media exposure is possible along with social media generated by SLSNSW. This is an opportunity to showcase your club both within and external to surf life saving.

Host Fee

SLSNSW will provide a hosting fee to the club for provision of services defined in a hosting MOU. This includes administrative delivery, facilities and equipment, volunteer personnel and event support. Indicative host fee is \$1200.00 per day.

Officials Catering

SLSNSW provides the host club with the opportunity to cater for 60+ officials for breakfast, morning tea, lunch and debrief. SLSNSW meets the cost for officials catering to \$24.00 incl GST per official per day.

Refreshments

At the conclusion of competition, your club can operate a club bar (within your current liquor licence) to serve officials, competitors, and supporters.

BBQ

Your club could leverage from 350+ competitors, 60+ officials and 100+ supporters to operate a BBQ fundraiser for the duration of competition, in a prime position.

Local Council Support

Successful host clubs may be able to access local event grants and may be required to assist SLSNSW with funding applications to local councils or other organisations to reduce costs where possible.

The 2025 IRB Premiership Series will ideally be conducted over four (4) rounds allowing for a maximum of two (2) full days for competition per round.

Please note SLSNSW reserves the right to amend/modify any of the below schedule (e.g., A round may be reduced to one (1) day of competition, include two (2) rounds on one (1) weekend or the format may be a stand-alone IRB competition) with reasonable notice to the host club.
