

Memorandum

To: All SLSNSW Members
From: Hamish Jones, SLSNSW Lifesaving Operations Coordinator
Date: 10/06/2024
Pages: 1
Subject: Expressions of Interest – Lifesaving Development Program Steering Committee

1. Background

The Lifesaving Development Program is an amalgamation of the former Lifesaving Development Camp and the Australian Lifesaving Boat Emergency Rescue Training (ALBERT) Programs.

The Lifesaving Development Program will be open to patrolling lifesavers who are interested in developing and enhancing their patrolling skills and experiencing a taster of the additional lifesaving awards and pathways in SLSNSW. The program will offer skill development both in the water and on the beach and aim to build the capability of lifesavers across the state through fun scenario-based training and hands on learning.

SLSNSW are now calling for expressions of interest to form the initial Lifesaving Development Program Steering Committee. SLSNSW are seeking suitably qualified members to fulfil the following roles for an initial tenure of two (2) years:

Role	Requirements
Chair	Appointed by the Director of Lifesaving
Deputy Chair	Appointed by the Director of Lifesaving
Lifesaving SME	Lifesaving experience
Lifesaving SME	Lifesaving experience
Powercraft SME	Powercraft experience (Crewperson, Driver, RWC, Trainer or Assessor)
Powercraft SME	Powercraft experience (Crewperson, Driver, RWC, Trainer or Assessor)
Education SME	Education experience – Lifesaving & powercraft experience desirable
Education SME	Education experience – Lifesaving & powercraft experience desirable
Secretariat – Administration	SLSNSW staff member appointed by General Manager Public Safety (Lifesaving Operations Coordinator)

Note: The initial year of the project will be a pilot year, focusing primarily on developing the program & its contents.

2. How to apply

To be considered for these roles please fill out the Microsoft form below, outlining your suitability and experience relevant to the role that you are applying for.
