1 OUR COMMITMENT

Surf Life Saving Australia (**SLSA**) and its member organisations comprise an organisation involving children and young people (**CYP**). Surf Life Saving has a zero-tolerance policy to harm, abuse and/or neglect of a Child/Young Person in any form.

SLSA operates across Australia and engages CYP through our programs and activities. SLSA takes seriously its responsibility to deliver a safe, fair, and inclusive environment for CYP involved in Surf Lifesaving (**SLS**). SLSA promotes equity, respect, and diversity by:

- actively anticipating CYP's diverse circumstances and responding effectively to those with additional vulnerabilities;
- providing all CYP access to information, support, and reporting processes;
- empowering CYP by giving them a voice and encouraging them to speak up on decisions that affect them;
- creating a fun and positive environment for CYP to be involved in; and
- paying attention to the needs of Aboriginal and Torres Strait Islander CYP, CYP with a disability, CYP who identify as LGBTIQ and CYP from culturally and linguistically diverse backgrounds.

SLSA's Board endorses this commitment to keeping CYP safe from abuse and neglect.

Everyone in SLS, from Board to Executives to Staff and Volunteers, is responsible to:

- protect CYP from all forms of abuse, bullying and exploitation by our people;
- be alert to incidents of CYP abuse and neglect occurring outside of SLS that may have an impact on the CYP involved in our programs and activities;
- provide CYP with information, support, and reporting processes; and
- create and maintain a child safe culture that is understood, endorsed, and put into action by all the individuals who work for, volunteer, or access our programs and services.

All people within SLS, regardless of role or level of responsibility, must act to keep CYP safe from such harm. They do this by adopting the practices and behaviour SLSA has set as its standard when carrying out their roles, and reporting any concerning behaviours or reasonable belief of abuse or neglect of which they become aware to a Person in Position of Authority (**PPA**) and/or to external authorities responsible for child protection or to Police, regardless of whether that abuse is being perpetrated by volunteers or employees within SLS, or by those outside SLS including those from the CYP's family, extended family, their family's extended network or strangers.

The extended SLSA Commitment to Child Safe and supporting resources can be found via <http://sls.com.au/childsafes>.

2 PURPOSE

SLSA and its member organisations seek to provide a safe, fair, and inclusive environment for everyone involved in SLS.

This means providing everyone involved in SLS, including CYP, with a positive and enriching environment that promotes their participation and development.

SLSA is committed to keeping everyone involved in SLS, including CYP in its care and ensuring that they feel, and are, safe. Accordingly, SLSA seeks to ensure that our People strive for the highest possible standards with respect to keeping CYP safe from abuse and neglect. To that end, SLSA has developed this Policy to assist to identify and prevent behaviour that may be harmful to CYP.

SLSA's commitment to CYP is inclusive of those from all backgrounds and vulnerable groups. This includes but is not limited to CYP who are:

- Aboriginal and Torres Strait Islander;
- Living with a disability;
- LGBTIQ; and/or
- from Culturally and linguistically diverse backgrounds.

A failure to meet the requirements within this Policy will be deemed misconduct and will attract appropriate disciplinary action. In addition to any internal disciplinary proceedings, SLSA will report to the Police, all instances in which a breach of the law has, or SLSA suspects may have occurred.

There may be exceptional situations where elements of this Policy do not apply, for example, in an emergency situation. It is crucial, however, that, where possible, authorisation is sought from a PPA within the relevant Organisation, prior to taking action that contravenes this Policy or that a PPA is advised as soon possible after the incident.

- the Relevant Organisations must comply with the requirements of Responding to Child Abuse Allegations outlined in the Child Safe Guideline (Worksheet 3: Appendix A). This includes waiting until statutory agencies have confirmed that they are either not responding to an allegation or have finalised any intervention they deem appropriate;

- the Relevant Organisations must apply appropriate risk mitigation strategies to keep all Children/Young People safe while an allegation or complaint is being assessed/investigated. This may include interventions such as supervision, suspension, restriction of duties or temporary redeployment, or suspension or restriction of rights, privileges, or benefits.

6.2 Policy Breach & Complaints

The Complaints Resolution Policy applies to any alleged Prohibited Conduct, including reports of breaches, of this Policy. Any matter relating to the abuse or suspected abuse of CYP, under the age of 18, must be reported.

7 CHILD SAFE CODE OF CONDUCT

SLS is committed to ensuring the safety and wellbeing of all Children and Young People that are involved in SLS so that they feel safe and are safe. Our policies and procedures seek to address risks to child safety, prevent behaviour that may be harmful to Children/Young People and to establish a child safe culture and practice in SLS. Standards of behaviour are required of all persons involved in SLS. This Policy is underpinned by the following core values:

- a. act within the vision, mission, and values of our organisation/movement;
- b. display respect and courtesy towards everyone involved and prevent discrimination and harassment;
- c. prioritise the safety and wellbeing of CYP involved in our organisation/movement;

This Child Safe Code of Conduct sets out requirements for how Relevant Organisations and Relevant Persons must behave with and around Children/Young People. A failure to comply with the Child Safe Code of Conduct will be a breach of the Child Safe Policy and constitute Prohibited Conduct as set out in clause 5 of the Policy.

There are exceptions where the Child Safe Code of Conduct does not apply:

- when a Relevant Person/Person in a Position of Authority is also an Approved Person in respect to that Child/Young Person.
- in an emergency and where the action is protective of a Child/Young Person, when prior authorisation is not possible.

 - i. provide any form of support to a CYP or their family, unrelated to the scope of their role (e.g., financial assistance, babysitting, provide accommodation);

 - i. an effective and positive environment; and
 - ii. the safety and/or wellbeing of CYP and personnel participating in SLS.
- c. Relevant Persons and Relevant Organisations should use strategies that are fair, respectful, and appropriate to the developmental stage of the CYP involved.

- d. Any incident of one-to-one unsupervised contact must be immediately reported to the Relevant Organisations management within 24 hours of the incident occurring.

7.6 Use of electronic or online communications

- a. A Person in a Position of Authority unless they are also an Approved Person (in respect to the relevant Child/Young Person), Medical Practitioner or Health Professional, must not communicate directly (one to one) with a Child/Young Person either electronically or online (including phone calls) without the inclusion of a representative from the Relevant Organisation and/or the Child/Young Person's parent or carer. Communication by Medical Practitioners and Health Professionals must only relate to appropriate and required medical care in this context.
- b. When communicating with Children/Young People, a Person in a Position of Authority must ensure content is:
 - i. directly associated with delivering SLS services, such as advising that a scheduled patrol or event is cancelled;

- ii. concise with personal or social content limited only to convey the message in a polite and friendly manner;
 - iii. devoid of any sexualised language; and
 - iv. not promoting unauthorised social activity or contact.
- c. Volunteers and Employees are required to report to the relevant SLS Entity management, as outlined in clause 6, if a CYP is attempting to:
 - i. engage with them via electronic communication platforms without parent/carer permission; or
 - ii. send them inappropriate content.
- d. Where a parent is not included in the communication:
 - i. Restrict such communication to issues directly associated with delivering SLS programs/activities, such as advising that a scheduled event is cancelled;
 - ii. Limit the personal or social content in such communications to what is required to convey the service-related message in a polite, friendly manner. Specifically, do not communicate anything that a reasonable observer could view as being of a sexual nature;
 - iii. Do not use such communication to promote unauthorised 'social' activity or to arrange unauthorised contact;
 - iv. Ensure such communication is devoid of any sexualised language;
 - v. Do not request a CYP to keep communication a secret from their parents;
 - vi. Do not communicate with CYP using Internet chat rooms or similar forums such as social networking sites, game sites or instant messaging unless related to SLS matters and parent/guardian is aware and has been offered the opportunity to join; and
 - vii. Do not request to be linked to an individual CYP through social media or follow or make comments on their social media activities.
- e.
