## 6. VOLUNTEER REQUIREMENTS

### 6.1 Officials

A quota system for clubs to provide Accredited Officials based upon the number of competitors entered (not the number actually competing) is in place for the 2025 NSW Surf Life Saving Age Championships. Online late entries will be added to the total number of competitors entered to ensure that the club's obligation is satisfied.

The Officials quota remains in place for 2025 and supersedes any prior versions of the Officials quota from previous years. Officials, as a minimum requirement, must hold a current Junior Officiating or Core Official accreditation.

**NSW Age Championships Officials Quota Daily Requirement**

Competitors Entered	Officials Required
1-4	—
5-30	1 Official
31-40	2 Officials
41-50	3 Officials
51-80	4 Officials
81-100	5 Officials
101-120	6 Officials
121+	7 Officials

Officials who wish to share a role with someone else MUST communicate this to SLSNSW. Two (2) officials sharing one (1) role fulfils one (1) official in the quota (the quota is based on attendance over two (2) days for each Championships).

**Please be aware the quota system is based on the number of competitors entered into the event, not the number of competitors starting.** Clubs are reminded before entering their competitors into the entry system that they **MUST** meet the official’s quota.

**If sufficient officials are not provided by clubs according to the provided quotas, SLSNSW will stand down all athletes from that club from competition until such time as the required officials are present.**

Officials undertaking duties to meet club’s quotas, who have not already been appointed to a position, will be requested to report to the Deputy Referee at Queenscliff SLSC by 7:00am each morning of competition. Procedures for this to be confirmed in the Final Event Information to be released prior to the start of the Championships.

**It is essential that clubs work with their officials to ensure that they (the officials) understand the effect on the championships if they do not communicate with SLSNSW regarding non-attendance or changes to the Officials Appointments. Clubs should check that officials appointed are attending on the days that they are appointed for, as this could have a significant impact on whether children can compete or not.**

**6.2 Water Safety**

The following quota will apply for water safety during the 2025 NSW Surf Life Saving Age Championships. Water Safety relates to the personnel responsible for the ‘in water’ safety support during events. This is a separate quota requirement to the Powercraft and Officials requirements.

The following is the water safety ratio for the 2025 NSW Surf Life Saving Age Championships and replaces any previous versions of the Water Safety quota.

## NSW Age Championships Water Safety Quota

Competitors Entered	Water Safety Required
1 to 9	0
10 to 19	1
20 to 29	2
30 to 39	3
40 to 49	4
50 to 65	5
66 to 79	6
80 to 95	7
96 to 109	8
110 to 124	9
125 to 140	10
141 to 155	11
156 to 170	12
171 to 185	13
186 to 200	14
<i>Note: There is no longer any cap on the water safety ratio. For every 15 competitors above 200, 1 more water safety personnel will be required.</i>	

The Water Safety roster will be finalised, distributed to all Team Managers and will be able to be downloaded from the State Championships event web page once the online late entries for the Age Championships have closed.

Water Safety personnel are required to hold the following **minimum** requirements (as per SLSA Water Safety Policy 1.2):

- A proficient Surf Rescue Certificate (CPR endorsed) and be a current financial SLS member (23/24).

### 6.3 Powercraft

To ensure the safety of all competitors competing in the 2025 NSW Surf Life Saving Age Championships, a Powercraft roster will be implemented. Clubs will be identified based on the total number of entries for the 2025 Championships.

Powercraft Drivers/Operators and crewpersons **must** fulfil the following requirements.

- **IRB Driver:** Be a current financial SLS member and be a proficient Silver Medallion IRB Driver.
- **IRB Crewperson:** Be a current financial SLS member, be a proficient IRB Crew Certificate.
- **RWC Operator:** Be a current financial SLS member and hold a proficient RWC Operator Certificate.
- **Both IRB and RWC:** Be experienced in ALL levels of surf conditions and competent to deal in all surf conditions.

As the Powercraft requirements will be including entries for the 2025 event, **the Powercraft Roster will not be prepared until after normal entries close on Wednesday 29<sup>th</sup> January 2025.**

Clubs will be required to nominate volunteer names and contact information for IRB Drivers and Crew personnel via the Powercraft Form which will be available during the week commencing **3<sup>rd</sup> February 2025**. All IRB Drivers and Crew personnel must also bring with them their current SLSNSW Powercraft licence, personal compliant PFD, helmet, and appropriate clothing.

**Clubs that fail to meet their rostered requirements: SLSNSW will stand down all athletes from that club from competition until such time as the required powercraft personnel are present AND undertaking their required shift.**

Some Clubs may also be required to bring IRB equipment to the Championships. All IRBs supplied must be registered with SLSNSW, have passed the 2024/25 Gear and Equipment Inspection process, and be entered in SurfGuard.

#### **6.4 RWC**

This year SLSNSW are trialling a revised model for powercraft. All RWC shifts will be provided by SLSNSW's Australian Event Safety Services (AESS). This means there is no requirement on clubs to supply any volunteers for these roles.

The AESS invited all members who are qualified and have experience operating an RWC at Surf Sports Carnivals and are interested in undertaking shifts at the State Championships to complete the [Expression of Interest](#). AESS will then reach out to suitably qualified and experienced members to seek availability and onboard you as an AESS staff member.

#### **6.5 First Aid**

All first aid will be provided by SLSNSW's Australian Event Safety Services (AESS). This means there is no requirement on clubs to supply any volunteers for these roles.

#### **6.6 Commitment to Child Safety**

##### **Child Safe Awareness Course**

All coaches and officials are required to complete the SLS Child Safe Awareness course as part of their accreditation and re-accreditation.

The course can be accessed via the member area eLearning platform and will automatically be recorded in SurfGuard upon completion.

##### **Working with Children Checks**

Coaches, officials and boat sweeps must have a [Working with Children Check \(WWCC\)](#) if they volunteer (or are likely to volunteer) with members under the age of 18 for more than 5 days in a calendar year.

Working with Children Check numbers must be provided to clubs who will verify through the Office of the Children's Guardian and update SurfGuard with current WWCC information.

Clubs and Team Managers are reminded to use the [SLSNSW Child Safe Activity Guide](#) to help plan their touring team requirements when members under the age of 18 are involved.

## 7. ELIGIBILITY TO COMPETE

For clubs to be eligible for Championship Competition, clubs must have their Life Saving Agreement (LSA) in place for competitors to represent that club.

All entrants must meet SLSNSW award and proficiency requirements as per the 2024/25 proficiency competition requirements and any subsequent bulletins issued.

Late Proficiency and Exemption Requests are required to be endorsed by both Club and Branch (on letter head) before being received by SLSNSW. This process is detailed in the [SLSNSW 5.04 & Patrol Exemption Process](#) and must be followed. All exemption requests MUST be received no later than **Sunday 16<sup>th</sup> February 2025**. **No requests will be accepted after this date.**

## 8. ENTRY FEES

The entry fee per individual competitor at the 2025 NSW Surf Life Saving Age Championships is **\$79.37** (incl. GST).

**SLSNSW will issue invoices to all Clubs after the Championships. Clubs must not pay their entry fees prior to the Championships. Payment terms are as stated on the invoice.**

**Entry fees are not refundable if members do not take part in these Championships, or if events or the entire Championships are cancelled.**

### Late Entries:

All online late entries received after the initial closing date will incur a late fee of **\$111.50** (incl. GST).

No individual late entries will be taken at the Event Administration Centre at North Steyne SLSC. Late entries may be accepted at the discretion of SLSNSW e.g., a competitor must be a team member replacing another team member in a team already entered. It is suggested that Clubs still enter members if there is a chance that they will be competing and then withdraw their entry prior to the close of late entry.

### Additional Events:

When additional events are entered for competitors (individual and / or team) a fee of **\$21.07 (incl. GST)** per event / per competitor will be charged. **Note: The competitor must be already entered into the Carnival.**

Additional individual event entries must be received at the Event Administration Centre at North Steyne SLSC by no later than 8am on the day of competition.

## 17. HEALTH & WELLBEING

The welfare of all competitors is of paramount importance and athletes or their parent / guardian in the case of underage competitors should seek advice prior to the competition from a qualified professional for any health concerns if required.

Any competitor or official who suffers illness or injury prior to or at the 2025 NSW Surf Life Saving Age Championships **MUST** seek medical clearance before resuming their normal activities which includes training and competition.

In addition, SLSNSW may, at its sole discretion, require a competitor and/or official to be assessed for physical and/or psychological fitness to participate in the competition. This ensures the safety and wellbeing of the athlete concerned and fellow competitors while also ensuring all parties and Surf Life Saving NSW are not placed at risk.

## 18. ANTI-DOPING & MATCH FIXING

It is strongly recommended that all Team Managers complete both the [Sport Integrity Australia](#) Level 1 Anti-Doping and Match Fixing e-learning courses. Both courses are free of charge and provide an opportunity to develop a knowledge and understanding of anti-doping and match fixing in sport. Moving forward, SLSNSW

strongly believe this is a great addition to the structure of any touring team and/or squad and is vital for elite competition and athlete development.

SLSNSW fully supports the new SLSA Anti-Doping and Match Fixing policies (SLSA Members Area > Library > Governance > SLSA > Policy 5.1 1 & 5.02). Following the completion of each course, a completion certificate/email must be forwarded to Surf Sports [surfsports@surflifesaving.com.au](mailto:surfsports@surflifesaving.com.au). SLSNSW have organised with SLSA to have these courses uploaded on to SurfGuard as an award. Once completed, the courses do not have to be completed again, unless there is an update in information from the organisations. If anyone has previously completed either course, proof must be sent through to Surf Sports in order to be recognised.

*For further information regarding the courses please contact Surf Sports, on (02) 9471 8000 or [surfsports@surflifesaving.com.au](mailto:surfsports@surflifesaving.com.au)*
