MESSAGE FROM THE PRESIDENT

On behalf of Surf Life Saving NSW, welcome back to Warilla-Barrack Point for the 2025 NSW Country Championships!

We're so thrilled to be back on the South Coast for another year. Reflecting on last year's Championships, I remember a wonderfully smooth, competitive and good-natured event, and I have no doubt we are in for three wonderful days once again.

It seems fitting that we're at Warilla-Barrack Point surf club once more – they are the back-to-back champions and will no doubt be eyeing off an incredible third straight win on their home beach. I wish to thank Club President, Alan Beveridge for opening his doors to host the 53rd Country Championships.

We are incredibly grateful to him, the organising committee and the club as a

whole for its support of this great event, which will attract around 1,000 athletes, 200 officials and in excess of 4,000 spectators from regional NSW.

We know all the effort that goes into running an event of this size and appreciate the efforts of the club in the lead up and over the coming days to ensure a seamless and memorable event.

I'd like to acknowledge the Dharawal people as the Traditional Owners and Custodians of the land on which we will compete this year and would like to extend my respect to elders past and present.

I would also like to acknowledge and thank the hard-working team at Shellharbour City Council for their enthusiastic support, assisting in no small part to bring the event back to the region.

Finally, I'd like to wish all competitors, coaches, officials and volunteers a safe, successful and enjoyable three days of surf sports competition.

WELCOME FROM THE MAYOR

Welcome to Shellharbour City for the 2025 NSW Country Surf Life Saving Championships.

We're thrilled to have the Country Championships in our region in consecutive years, which is a testament to the incredible team at Warilla-Barrack Point SLSC.

I'd like to commend local and visiting surf lifesaving volunteers for the continued dedication, passion and bravery that helps ensure the safety and wellbeing of beachgoers across our state.

As a former lifesaver, it's an honour to have this great event featuring magnificent athletes at my home beach in Warilla.

It's a special place close to my heart, where I learned how to surf and have spent a huge part of my life.

Warilla Beach is also one of the many gems of our coastline, and I encourage you to explore more of our region while you're here.

We have the benefit of being surrounded by the sea and a lake, offering endless opportunities for all water sports and fishing.

We have wonderful green spaces throughout the city and an expansive escarpment perfect for hiking and seeking out waterfalls.

Please discover and enjoy our unique town centres, fabulous restaurants and cafes.

There is truly something for everyone, so make sure to stop by the Visitor Information Centre in Shellharbour Village or check vistitshellharbour.com.au to help make the most of your time here.

To all the competitors may you enjoy a safe and successful event, showcasing tremendous skills and doing your best to pursue a state championship. I hope that those of you visiting can return to Shellharbour again soon with your friends and family.

Mayor Chris Homer
Shellharbour City Mayor

WELCOME TO WARILLA BARRACK POINT

It gives me great pleasure to welcome sponsors, athletes, officials, parents and supporters to the 2025 NSW Country Championships. Our club is excited to be able to host this event at Warilla Beach. This will be our second year hosting the NSW Country Championships and we are hoping for a bigger and better event than last season.

Over the 3 days of intense competition our lifesavers from under 8's to over 70's will display their surf skills, competitiveness and sportsmanship that only these NSW Country Championships can produce.

Warilla Barrack Point Surf Lifesaving Club acknowledges the traditional Custodians of Dharawal Country and recognize their continued connection to the land. We pay our respects to Elders past, present, and emerging and to the contribution they make to the life of Shellharbour City.

We would like to acknowledge the support our Mayor Chris Homer and his team have given to SLSNSW and Warilla Barrack Point Surf Club. The Shellharbour City Council has had a strong history of support for surf lifesaving in the LGA.

I would also like to thank the NSW Surf Sports team headed by Jim Pinnington and a special mention Belinda Cooper for all their valuable assistance in organising this prestigious event.

To our team of volunteers who have been thorough in our preparation to host this event I would like to thank each for their commitment and dedication to the success of the 2025 NSW Country Championships. I do have to acknowledge the contribution of our Club secretary Lauren Wills, outstanding.

The NSW Country Championships is about fair play, enjoyment, comradery and having a go. As the reigning NSW Country Champions, we are challenging all Country clubs to come to Warilla Beach and have a go.

Best of luck to all athletes.

Alan Beveridge OAM
President, Warilla Barrack Point SLSC

WOOLGOOLGA

Working On Winning Ways

There's been heightened enthusiasm around Woolgoolga surf club in the weeks and months leading up to the 2025 Country Championships, with the North Coast club eyeing a further jump this year on the overall point score.

From ninth, to seventh and up one more place to sixth over the past three editions of the Championships, Woopi has slowly and steadily grown its competing force in both skill and size.

They'll hit the beach at Warilla this weekend with a similar size squad to the

one that fell narrowly short of breaking into the top five last year, but with another year of training and development under their belts, there's belief around the club that they could continue to climb the point score ladder.

"It has been thrown around definitely, and we're aiming for something like that for sure (a top five finish)," said Junior Activities Coordinator, Karley Pepper.

"The focus for us this year really has been building teams and trying to put as many teams as possible in the competition events.

"The individual events run themselves, so we've been doing a lot of work around the team events at training."

There was no, or at least very little, rest for the wicked on the North Coast – training sessions a key part of the Christmas holidays for the club and keeping the kids active and engaged.

“We didn’t want to give them too much, because it’s their holidays too, but on the flipside, I know that some kids get to a point where they want something to do, so having those training sessions offered them that,” Karley said.

“We definitely didn’t decrease anything, we had a week over Christmas where we didn’t really train at all, but we’ve been back strong since then and the kids that have been going have been coming in big numbers.

“The first weekend of January we had a teams’ carnival at our club which was also our first Nippers back, and it was great for reestablishing those skills and practicing the important parts of team activities.”

There’s also plenty of excitement building around an event Woolgoolga will take part in for the first time in many years – a youth March Past team has been working hard at one of the most iconic and historied events in the movement.

“We’re really excited to have pulled together a March Past team for the first year in what has really been a long, long time,” Karley said.

“It’s all just kind of just started recently so it will be interesting to see how they go.

Some of these Nippers would never have seen one, so it’s going to be a lot of fun I think.”

BRAVE BROULEE

Ready to Roar on South Coast

It was perhaps the story of the 2024 Country Championships – a club leaping from comfortably outside the top 10 to fourth place with a points increase of more than 3x its previous tally – and Broulee Surfers SLSC is back this year to rattle more cages in Warilla.

The Far South Coast club has been building to a performance of this kind for around five years, on the back of the efforts of some particularly talented and dedicated volunteers, and there's confidence it's not merely a one-off.

"We're very lucky here to have had two people in Darren Drewsen and Daniel Beby really build up the Surf Sports side of the club, and last year was probably our first one of having a really good go of it," Team Manager, Darren McPartland said.

"We've always had that strength in patrolling and in our community work, our Nippers has always been very strong, so building on the surf sports side has really added another dimension to the club."

Indeed, a ground swell of growth in population has helped numbers, but there's far more to success than feet on the ground.

"I think we had a couple of juniors begin to

do well at various competitions a few years ago and that really kicks you into gear, builds that demand and everything moves forward from there," Darren continued.

"It sort of highlighted to everyone else how good things can be, it gave our younger kids role models, and it's all just built from that.

"Certainly, the area is growing so the demand is there, but that also means that the need for a more professional approach becomes apparent.

"Darren (Drewsen) and Daniel (Beby) are the key ones, where we maybe don't have the historical experience of some clubs in terms of coaching, but we have passionate people and a very progressive club and we're getting better in all facets."

While 2024 was the first real showcase of the possibilities for the club, there's no sign of a desire to overcomplicate the formula in 2025. Broulee intends to just encourage their competitors to do what they do best, and the rewards will manifest themselves from that.

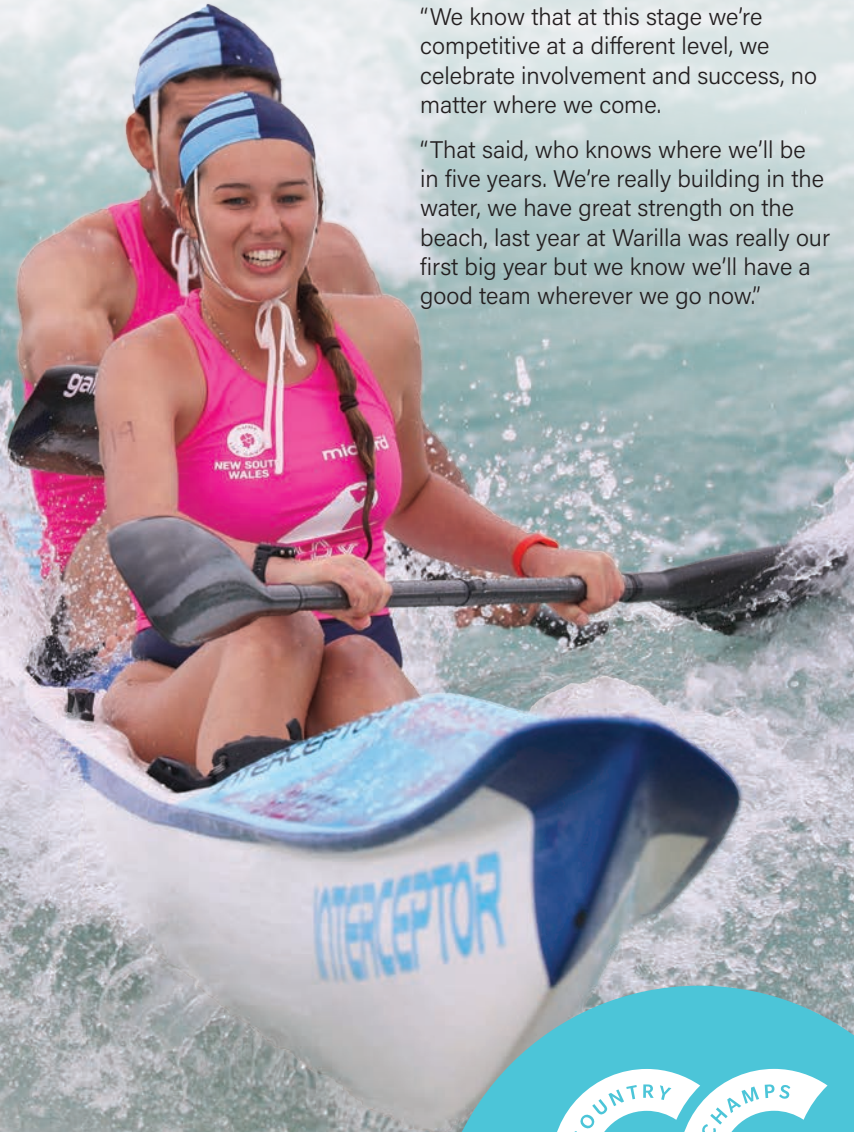

"For the bigger clubs it's (winning) really important to them, whereas to us at the athlete level we just want to see as many as we can do better," Darren said.

"The bonus is the club doing better, but we want the individual to do well and that makes the club stronger.

"We know that at this stage we're competitive at a different level, we celebrate involvement and success, no matter where we come.

"That said, who knows where we'll be in five years. We're really building in the water, we have great strength on the beach, last year at Warilla was really our first big but we know we'll have a good team wherever we go now."
